

DEEP ROCK

G A L A C T I C

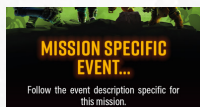

DANGER. DARKNESS. DWARVES.

MISSION BOOK

will always FAIL a mission if the marker reaches the end of the Swarm Threat track, or if all players have their health reduced to zero. Win conditions vary, but they are usually about risking your lives to collect a bunch of precious minerals - you are dwarf miners, after all!

Mission specific event: Use this text whenever an Event Card says "Mission specific event..." The Event described here must then be read and immediately executed.

Mission specific example

Minerals: The mission briefing shows which minerals you must take during mission setup and shuffle in your hands, before randomly distributing them to the mineral spaces as indicated on the map (one for each). Keep the rest nearby, as more can come into play during the game.
